A heart filled with aspirations is all that we knew since the very existence of the school and that's what gave us the ambition of marching forward till excellence is achieved in all our endeavours.

This report is comprised of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come.

1. As a regular practice followed every year, this session began with the Orientation Programme for the parents of the students of classes Pre-Primary to VIII. The programme made the parents aware of the scheme of education we impart here at our school. Query-resolving session by a child psychologist illuminated the path of positive parenting.

2. Having the school completely digitized has innumerable advantages to the parents, teachers and the school itself. Parents can keep a real-time track of the status of their child for Daily Attendance, Fee status, Periodic Results, School Circulars and News, etc. through the WEB PORTAL.]

Parents have a direct access to communicate with the Class-Teacher for regular update of their child and the cases which need my personal attention can be escalated directly to me through the provision of Communicate in our Portal.]

3. With the sole purpose of updating teachers' knowledge, the school hosted a series of Teachers' Workshops. It was an attempt which inclusively engulfed various significant aspects like Moral Values, Life Skills, Meditation & Stress Management, Neurotherapy, English Language and Mathematics.

Apart from this, our teachers are made a part of the training sessions and workshops happening at other schools. Our teachers attended various workshops like teach next robotics workshop, workshop on NURTURING EARLY CHILDHOOD and ADOLESCENCE MANAGEMENT, workshops on various ACADEMIC SUBJECTS. Attendee teachers further share the knowledge with other fellow teachers widening the sphere of wisdom.

This environment was sufficiently created through inter-school, inter-house and inter-class competitions such as debates, Dance competition, Fancy dress competition, Best of waste material use competition, Vad-Vivaad Pratiyogita, Shlok Competition, Quiz, Rangoli, Declamation, Creative-Writing, Spelling-Bee, Rhyme and Rhythm, Drawing and Power-Point competitions. Our students took part in various inter-school and Competitions and brought laudable laurels to the school.

We are drowning in information and severely starving for wisdom today. Fortunately, we are empowered with demographic dividend knocking on our door. We just need to break the cocoon and let in the beautiful colours of knowledge. I am sure in the coming years, we shall successfully channelize the halo of the young minds to explore best of their abilities.

Towards the end, I thank the supportive management whose continuous support to our ideology of education has enabled the school to come this far. Teachers and the entire staff members also deserve applause for their tireless efforts in implementing the route map of imparting quality education here. I also extend my heartfelt thanks to the parents of our students who have shown unflinching faith in us by giving us the profound opportunity to transform their children into truly useful citizens of the future world.

With that, let us foresee a world of universal singularity where our children are going to be the propellant of this change and the world shall be a beautiful place to live in..!!!
